MICHAEL W. DOBBINS
CLERK, U.S. DISTRICT COURT

08C1999

Dear

George Lindberg,

I'm writing in reference to the prosecutor sending my mail to U.S.P Terre Haute despite the fact I filed a Change of Address with the District Court Clerk, and also served a copy to the U.S. Attorney's Office. The only way I received a copy of the Govt's request for an extension I had my family to pull the Court Docket sheet. I saw that you had gave the prosecutors an extension. However, I noticed that you never gave me a reply date to respond to the Govt's Brief which is due 14 Aug 08. I understand that your ruling date is the same I just for the record would request that you first instruct the Govt to send my mail to me at F.C.I Oxford as opposed to U.S.P Terre Haute, and also you give me an extension to reply to the Govt's brief. I thank you in advance for your time, and consideration of my request.

Sincerely

Terry Young
